

# HABS FAMILY SUPPORT TEAM

## Invitation to the King's Coronation Garden Party

In March 2023, the HABS team were informed that the Lord Lieutenant of Hertfordshire had received a nomination that HABS be invited to attend the Kings Coronation Garden Party in recognition for our outstanding services to the community.

We were overwhelmed by the nomination and were informed that the final attendance list would be decided by Buckingham Palace. In April 2023, we received a formal invitation to attend the 'King's Coronation Garden Party'. Unfortunately, all services in attendance were only allocated two tickets. Leigh and Gabby attended on behalf of the team.

#### From the nominee

“I am so proud to have a small association with HABS and the incredible work that you and your team do for families.

You are an inspirational leader and have continuously developed the service. It is a testament to its value to our communities that so many new settings have joined, and in a time of austerity too!

You truly deserve both the personal recognition and the recognition of the service, and I am glad to be able to help with that”

The Garden party was beyond amazing and words really cannot describe how it felt to be in attendance with the King and Queen of the United Kingdom as well as all the other well-recognised services from across the country.

We were incredibly proud to represent the HABS Team and our Local Schools Partnership. We are proud of the role and service we have created over the past twelve years - a bespoke service created specifically for our partnership of schools and the children, young people, and families in our community. I know you are equally as proud of this service and the team. Recognition from the King and Queen has been the cherry on the cake! (it doesn't get any better than that!) Thank you to everyone for your commitment to our service and the trust you have in us all. Garden Party’.
